SHIPPING NOTES.

Early yesterday morning the steamer Claudine arrived from Maui ports with a large number of passengers and the following freight: One horse, 219 sacks of taro, 34 sacks of potatoes, 103 sacks of corn, 24 bundles of hides and 149 packages of sundries. The schooner Golden Gate arrived from Molokai yesterday. Steamer Mikahala of the Inter-Island line arrived yesterday morning from Nawiliwili with several passengers and the following freight: Five thousand, one hundred and eighty-three bags of sugar, 22 bags of taro, 30 bags of pia, 1 horse, 1 cart and 25 packages of sundries. The following steamers were off Kauai when the Mikahala left that island: Waiwalea at Anahola, Kauai at Makaweli, expecting to leave today for Honolulu, and the Ke Au Hou at Makaweli.

The Mikahala reports good weather off Kauai with light showers at Lihue. The sea is smooth in the channel, the ordinary light trade winds prevailing. The bark C. D. Bryant is now lying alongside the steamer Mikahala at the Inter-Island wharf and today will take sugar from the latter, finishing her load and getting away for San Francisco in a day or two.

The George Curtis, James Nesmith, Prince Victor, J. C. Glade and Jabez Howes are at the Railway wharves. The ship Kennebec at the old Fish-market wharf is about through taking on ballast and may get away for the Sound today.

The Doric from San Francisco will probably arrive here tomorrow evening, although she is not due until the following morning. The steamer W. G. Hall will arrive from Kona ports tomorrow.

Portuguese Independence Day.

Portuguese Independence Day, which fell on Saturday last, was not celebrated to any great extent by the local colony. Portuguese Consul Canavaro was serenaded by the Concordia Band at 4 o'clock in the morning, and many called during the day to pay their respects.

Healani Elections.

On Saturday night the Healani Boat Club held its annual election, and the following officers were elected for the ensuing year: President, W. E. Wall; vice president, G. H. Gere; captain, A. L. C. Atkinson; vice captain, James W. Lloyd; commodore, A. L. Merry; vice commodore, H. G. Young; secretary, M. M. Johnson; treasurer, Wade W. Thayer; auditor, Fred B. Damon.

The Municipal Charter.

The Young Men's Republican Club will have their regular meeting at headquarters on Nuuanu street near Merchant. A discussion will be had upon the position the Republican party should take in the framing of a municipal charter. A big attendance is expected.

Makia's Weapon.

Deputy Sheriff Chillingworth says that upon examining the pistol one of the cartridges was found to have been fired by the needle of the hammer. It did not explode for some reason unknown to him. As the cartridge was the one in line with the barrel, and the hammer rested on it when the gun was forcibly wrested from his hand, the deputy sheriff is of the opinion that Makia attempted to kill one of the group.

MORE SERIOUS.

Asked: "Whatever became of that patient of yours you were telling me about last spring?" Dr. Sokum: "Oh, he's got a complaint now that's giving me a great deal of trouble." Asked: "Indeed? What is it?" Dr. Sokum: "It's a complaint about the amount of my bill."

DIED.

DE SILVA.—In this City, last evening, at the residence of her parents, Mr. and Mrs. M. S. Dias, the wife of Joaquim G. De Silva. The funeral will take place this afternoon at 3 o'clock from the above residence, on School street near the bridge.
